From the first rupee to finished jewellery

வாடிக்கையாளர் பயணம் | ग्राहक की यात्रा

Your customers pick a scheme, pay every month from their phone, watch their grams grow and walk into your shop to redeem. Simple for them, steady business for you.

Choose a scheme

11+1, Gram Plan, Silver or Flexi, all in one catalogue.

Join and pay monthly

Pick ₹1,000 to ₹10,000 a month and pay before the 10th.

Watch grams build up

Every instalment buys weight at that day's rate, always visible.

Redeem as jewellery

In store at any branch, or home delivery for a coin or bar.

Counter-friendly

Schemes sit at the customer's home branch, while payments come from anywhere.

Clear for the customer

Every rupee is booked as weight at that day's rate, with a receipt for each payment.

Trust built in

KYC with PAN and Aadhaar, insured vault storage and an MPIN lock protect every account.

Speaks your customers' language

Customers can switch the app between English, Tamil and Hindi at any time.

Digi Gold: buy, sell and save from just ₹100

டிஜி கோல்ட் வாங்க & விற்க | डिजी गोल्ड खरीदें और बेचें

Customers buy gold in any amount, on any day, at the live rate. Each rupee turns into grams stored as 24K 999 in an insured vault.

Buy gold

By amount or grams, with GST shown upfront.

Pay your way

UPI with zero fee, card, netbanking, wallet or at the branch.

Instant receipt

Grams credited at once, with invoice and share options.

Sell any time

At the live buy-back rate, paid to the linked bank account.

WHAT'S INSIDE

- **Live rates** for 24K, 22K and silver on the home screen
- **Amount or grams:** type any value or tap ₹1k, ₹2k, ₹5k, ₹10k
- **Rate lock timer** on every purchase so the price is clear
- **Gold and silver** in the same Buy screen
- **Five ways to pay**, including pay at branch with the rate held for 24 hours
- **Coupons** applied at checkout
- **Receipts and invoices** to download or share
- **Easy exit:** sell part or all, money in 2 working days

EXAMPLE PURCHASE

₹5,000 buys 0.3009 g

At ₹16,619.86 per gram, plus 3% GST (₹150), the customer pays ₹5,150 and sees the grams in the vault instantly.

Saving schemes for every customer

சேமிப்புத் திட்டங்கள் | बचत योजनाएँ

Gold Scheme 11+1

MOST POPULAR

Pay 11 months and the shop pays the 12th. Buy jewellery at maturity.

FROM TERM
₹1,000 12 months

Gram Plan

RATE OF THE DAY

Fix a weight target. Each payment buys grams at that day's rate.

FROM TERM
₹500 6 to 24 months

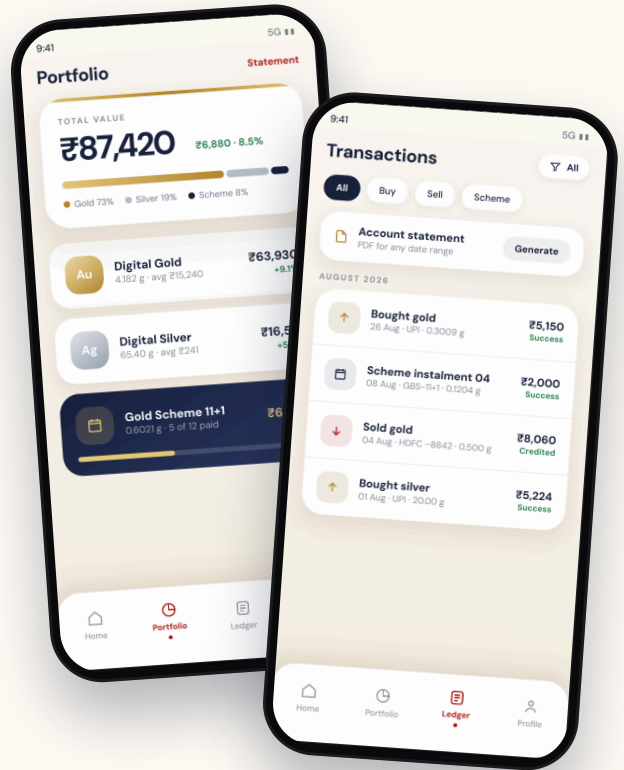

Silver Scheme

The same 11+1 structure, with silver weight at maturity.

FROM TERM
₹500 12 months

Flexi Savings

No fixed instalment. Pay any amount, any time.

PORTFOLIO & LEDGER

- **Total value** across digital gold, silver and schemes
- **Filters** for buy, sell and scheme entries
- **PDF statements** for any date range

11+1 AT ₹2,000 A MONTH

₹24,000 paid in

+ ₹2,000 bonus month from the shop

Customers see their instalments, accrued grams and maturity date on one screen. Month five of twelve, 0.6021 g saved and the next payment due date are always visible.

Instalment tracker

Paid and upcoming months, the grams bought on each date and a Pay now button.

Choose the amount

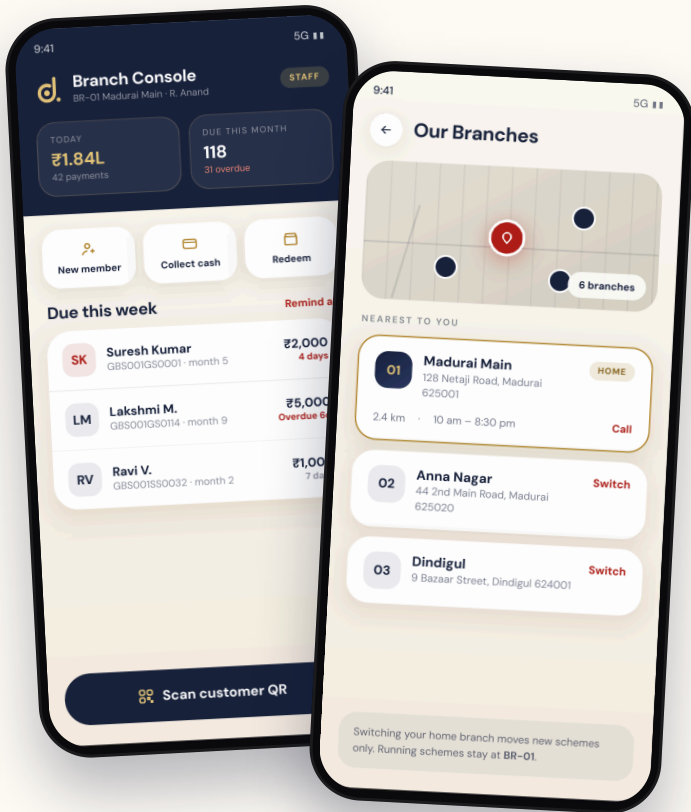

Monthly picks from ₹1,000 to ₹10,000 with the yearly grams shown for each.

Clear rules

Scheme terms are explained in three steps before the customer joins.

Built for your branches and your staff

கிளை & ஊழியர் கன்சோல் | शाखा और स्टाफ कंसोल

STAFF BRANCH CONSOLE

- Today at a glance: collection and payment count
- Dues this month with the overdue count
- Due this week list with one-tap Remind all
- Counter tools: New member, Collect cash, Redeem
- Scan customer QR to find an account fast

BRANCH NETWORK

- Branch locator with map, distance, hours and call button
- Home branch can be switched, running schemes stay put

KYC and nominee

PAN and Aadhaar KYC status, nominee details and linked bank account in the profile.

Secure sign in

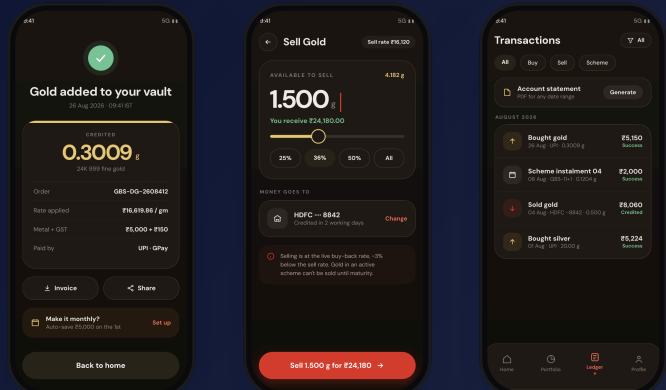

OTP login with a 4-digit MPIN lock, plus security and permission settings.

Auto-savings

Customers can set up automatic monthly saving instead of paying by hand.

Light and dark themes

Both themes are designed for every screen, with ivory and gold in light mode and charcoal and gold in dark mode.
